

Preventive Medicine, PC

POSITIONS AVAILABLE

Preventive Medicine, PC has staff positions available for Chiropractic physicians. Successful candidates will be trained in Preventive Medicine's patient care and administrative management programs. After successful completion of the training program, doctors will have the opportunity to treat patients in their own clinic.

ABOUT THE AREA

Preventive Medicine, PC has established itself as the premier provider of Chiropractic Medicine Services in North Central Indiana with four clinics and future prospects in several regional areas. Northern Indiana is a great place to live and raise your family. The South Bend area is home to the University of Notre Dame. We enjoy a safe community with good schools. We are conveniently located 45 minutes away from Lake Michigan and between Indianapolis and Chicago.

CLINICAL BACKGROUND

Preventive Medicine, PC provides comprehensive health care services including a combination of chiropractic medicine, physical therapy, clinical massage therapy, acupuncture, and nutritional counseling. By providing exceptional patient care and the highest level of customer service, Preventive Medicine, PC has established a solid reputation among our patients and the local medical community.
